Regional Spot Reports				
Date:	4/3/2019	Watch Officer:	Gary Moore	Media Interest:
Event Title:	Crosby Fire Explosion			
Overview:	Team EPA arrived at the incident location approximately at 1630 CST on 4/2/19, established Unified command with KMCO (PRP), TCEQ and Crosby Fire Department. Conducted air monitoring via ASPECT and TAGA. Besides EPA, PRP and Harris County Pollution Control Services conducted separate air monitoring. All the air monitoring resulted with no detect for VOC. Personnel from KMCO are working to ensure all the hot spots are completely out and working on collecting fire-fighting runoff both on and off the property. Today the Team will be working with TAGA and ASPECT to do a final evaluation.
